SECTION 3: Journey

H2: A spiritual journey that began with one question: why does life unfold this way?

Intro: Acharya Ganesh turned a lifelong pull towards Vedic wisdom into a practice that has now guided tens of thousands of people.

The calling
Drawn to Vedic astrology as a way to understand the patterns behind life, he began with the classical foundations: grahas, bhavas, rashis and dashas.

Years of study and practice
He tested classical principles against real lives, building a working command of 25,000+ Vedic astrology rules.

One-on-one consultations
Private readings on career, marriage, wealth and health and Astro-Vastu. One rule stayed fixed: read the actual chart, never a template.

YouTube and Media
His plain-spoken way of explaining astrology led to a YouTube community of 158K+ subscribers.

Teaching the next generation
Structured courses, from free fundamentals to advanced planetary combinations, so students can learn astrology themselves.

Pull-quote: “Astrology cannot control your future. It can help you meet it prepared.”

SECTION 4: Vision & Mission

H2: Vision and mission

Mission: To make authentic Vedic astrology simple, honest and useful, so every person can understand their chart and act on it with confidence.

Vision: A world where people turn to astrology for clarity and preparation, never for fear or dependence.

SECTION 5: Experience & Expertise

H2: Experience and expertise
Intro: 17+ years across three connected disciplines, all rooted in your birth chart.

Vedic astrology *(featured card)*
Birth chart (D1), divisional charts such as the Dashamsha (D10), Vimshottari Dasha and transit analysis, applied to the questions people ask most.
Tags: Career prediction · Love & matchmaking · Wealth astrology · Health astrology · Litigation astrology · Muhurta · Numerology · Kundli reports

Vastu & Astro-Vastu
Home, office and workstation guidance that works with your horoscope, not against it.

Spiritual guidance
Mantras, remedies and online pujas such as Rudrabhishek and Kaal Sarp Dosh, prescribed only after the full chart is studied.

SECTION 6: Achievements

H2: Achievements in numbers
Intro: Built one chart, one client and one student at a time.

Number	Label

50,000+	Consultations & charts analysed
17+	Years of experience
10K+	TV shows & media appearances
99%	Accuracy & trust
5.0	Google rating, 5,000+ reviews

SECTION 7: Why Trust Acharya Ganesh

H2: Why trust Acharya Ganesh

Ethical guidance
No fear tactics and no guaranteed outcomes. Remedies are suggested only when your chart calls for them, and gemstones are never prescribed from your sun sign alone.

Personalised consultation
Every session is 1-on-1 and private. Your birth chart, D10 and running dashas are studied line by line, with a remedy chart and summary after the call.

Research-based Vedic approach
Classical principles, applied with discipline: houses, divisional charts and planetary timing read together instead of one transit in isolation.

Client-first philosophy
Plain language, 100% confidentiality, slots seven days a week and a callback within an hour of booking.

SECTION 8: Testimonials (Client Stories)

H2: Client stories
Intro: Professionals who used career astrology to decide when to move, wait or build.

Job switch & timing

Rajesh Kulkarni, Principal Software Architect, Bengaluru

After four years with little change in pay or role, he had his D10 chart and dasha periods studied and learned which window favoured a move.
Outcome: Switched in the advised window to a better-paid, more challenging role.

Promotion & growth

Pooja Sundaram, VP Marketing & Growth, Mumbai

Under pressure at work and close to resigning, she was told the difficult phase was temporary and given steps to stay steady.
Outcome: Avoided a hasty exit and was offered a leadership role within months.

Business & startups

Vikramaditya Rao, Founder & MD, Hyderabad / Dubai

Torn between a job and entrepreneurship, he had the 6th, 7th, 10th and 11th houses compared against his running periods.

Outcome: Planned his exit and launched the business at the recommended time.
